### PROFILE

Dedicated and innovative second-year Bachelor of Science in Information Technology (BSIT) student specializing in Web and Mobile App Development with a keen focus on UX and UI design. With a passion for blending technology with creativity, I am committed to crafting intuitive and visually appealing digital experiences. Proficient in various programming languages and design tools, I strive to innovate and push boundaries in the ever-evolving tech landscape. Eager to contribute my skills and learn from experienced professionals to make meaningful contributions in the field of IT.
